

# SASKPOWER SUPPLIERS

## INDIGENOUS SUPPLIERS

This list is provided as a convenience to potential bidders for SaskPower procurement opportunities. Access to and use of the information in this list (the "Information") is governed by SaskPower's Digital Terms and Conditions.

Without limiting the generality of the foregoing, the Information is provided "as is" and SaskPower makes no representations or warranties that the Information is current, accurate or complete. SaskPower accepts no liability for errors or omissions in the Information.

SaskPower may make changes to the Information at any time without prior notice and SaskPower is not obligated to provide notice of any updates or changes to anyone who may have accessed the Information.

The inclusion of any person or company in the list does not imply SaskPower's endorsement or recommendation of that person or company or any of the products or services provided by that person or company. Persons and companies on this list have self-declared under the respective diversity categories in which they are listed.

SaskPower makes no representations or warranties as to any person or company's qualifications, competency, performance, or compliance with applicable laws or regulations, including without limitation any bylaws or permits.

Users accessing the Information must conduct their own research and due diligence before engaging any person or company.

SaskPower will not be liable for any damages, losses, or injuries whatsoever (including personal injury and death) incurred in connection with engaging or relying on any person or company on this list.
